Bigger Than Us- Merchants of Doubt

To begin the Bigger Than Us series this season, we will be screening the documentary, Merchants of Doubt (90 minutes). This documentary clearly shows the lengths to which big business will intimidate the messengers, misinform, mislead, and in some cases outright lie, to the public and to the government, in order to continue selling a product that is harmful to the public, to the environment and to the planet. skeptics are welcome. Richard Keeler will be our Volunteer Convenor for this program
