

Technology Training from the Kanata Seniors Council

The cost is only \$20.00
for 3 (one hour) private lessons,
or \$8 for a single one hour lesson.

You must be a member of the Kanata Seniors Center
in order to take advantage of this program.

Technology Training is provided in a relaxed “one-on-one” environment at the KSC by one of our experienced volunteer tutors.

Lessons are tailored by your instructor
to the specific needs and desires
of each student.

Classes take place in the computer room at the
Kanata Seniors Center, using either KSC
computers/tablets or your laptop/tablet.
