JUNE 2024 ----- VOLUME 230

Important Notice!

We have been dealing with HVAC issues for the KSC portion of the building. As we work through solutions for AC, please bring your water and/or adjust your attendance if heat is an issue for you.

Once solutions are decided, there may be disruption to services in KSC and Mlacak Halls, and potential closures. We will communicate as timely as possible.

If there is closure of the Mlacak side of the building there will be no Café service available. It is best to call to find out if the Café is open on the day of your visit.

All Senior Centre Membership activities will remain the same for July and August.

We thank you for your patience and understanding while we strive to maintain our services to the best of our abilities during these ever-changing closures of the Mlacak halls and café.
